

August 2019

Dear Ladies of St. Agnes Parish,

“A good woman is hard to find, and worth far more than diamonds.” Proverbs 31: 10

The people of St. Agnes and St. Kieran Churches have been abundantly blessed with good women, and I feel especially blessed to once again serve as the President of the St. Kieran Women’s Club. This past year, the Board of Directors worked hard to assure that this long-standing club would continue on with its history of prayer and support for our church and community. As always, we welcome members from St. Agnes, and look forward to future events at both parishes.

In order to keep things manageable for our board of directors, we are working smarter instead of harder, using the resources available to us. What that means to you is that we will be communicating more often through the parish bulletins and the St. Kieran Women’s Club e-mail, instead of snail mail. You have probably noticed that birthday greetings are now printed in the Sunday bulletin, and bake sale reminders have come via the bulletin and e-mail. We hope to obtain e-mail addresses for all of our members so that we can communicate with everyone almost instantly.

This year we are repeating our favorite events. We will begin the year with the Woman of the Year Dinner on Wednesday, September 11, at 6:00 p.m. in Crawford Hall. We will play Bunco in October, but this time, a full round of games as per your request. We will gather for our annual Christmas party in December, then break bread together at our Fat Tuesday Pot Luck in February. We are bringing Rick Pickren, the Singing Cowboy, back in March for a parish event, and in April, we will create more beautiful artwork at Bottle and Bottega in Homewood as we sip wine and snack on cheese. As always, we will finish the year in May with our “famous” indoor picnic. Maybe our special Bingo caller will show up again!

Please fill out the membership form (available on the parish website) and mail it with your dues (which remain at \$20.00 for the year) to St. Kieran Women’s Club, 724 W. 195th Street, Chicago Heights, Illinois, 60411, or place it into the Sunday collection in an envelope marked “Women’s Club Membership.” Don’t forget to add your current e-mail address, and please sign up to help whenever you can! See you in September.

Sincerely,

Teri Klopp, President
St. Kieran Women’s Club
